Case No. 19-MJ-4219

**Filed Under Seal**

**UNITED STATES' MOTION TO UNSEAL**

The United States of America, by its attorneys Donald Q. Cochran, United States Attorney for the Middle District of Tennessee, and Robert S. Levine, Assistant United States Attorney, requests that this Court unseal all the documents filed in this case.

On August 8, 2019, in the above-captioned matter, Magistrate Judge Newbern issued a warrant to search a laptop. On the same day, Judge Newbern ordered that the matter and all associated filings be placed under seal because they related to an ongoing investigation. The targets of that investigation have now been indicted and the United States wants to disclose the warrant and all associated filings in discovery.
